

Circular 8 from Ulgham Parish Council and the UVA August 2020

Use of Air Rifles in Ulgham Meadows and Wood – there have been reports of two people shooting wildlife in the Meadows. This is private land and these acts are classed as Armed Trespass. Please contact the police on 101 if you see anything suspicious

- We are still going to celebrate VJ day on Saturday August 15th, to remember and honour those who fought on after the war in Europe ended. In our village we still have those who fought in the Far East and relatives of those who were imprisoned in camps where they suffered great privations, diseases and cruelty. We must never forget them and make sure that future generations remember what they suffered for us to now live in freedom.
- However, government guidelines do not permit the idea of a village picnic on the playing field. The village will be decorated with new red, white and blue bunting and ribbon where it isn't possible to hang bunting. Perhaps we could have (weather permitting) a similar day to VE Day with tea parties in individual locations throughout the village. We will be decorating the village on Thursday and Friday 13th and 14th August, meeting outside the WI Hall at 10am on both days. If anyone can help with this please ring Helen Dunn 791849 or if anyone wishes to decorate their part of the village please do so, we have plenty of decorations for this so please ring Helen and they will be delivered to you.
