

Ulgham Newsletter

November/December 2021

The gardening club have not met at all during Covid, but this summer we ventured out on two summer garden visits, Fallodon Hall near Alnwick and Coldcote Moor Garden near Ponteland. These gardens were opened under the National Garden Scheme for various charities. Both visits were very successful and finished with tea and cake. It gave us a much needed get together outside in two beautiful open spaces which were a real inspiration. We also gathered together in Paul and Pauleen Martin's garden to say thank you to Mary and John Carpenter for their huge contribution to the club over many years. It was so lovely to see so many of our members after such a long lockdown

Film night has been going for over 10 years which means we have shown over 100 films (allowing for summer breaks). We have not been able to meet for over a year now but will start again on Tuesday 9th November 7:30.

The December film will be a Christmas Favourite yet to be decided by the November Attendees! The films are chosen by those who come along so if you have a favourite and would like to see it here in the village on the big screen, come along in November.

The long awaited Village Picnic took place on Saturday 9th October. A great opportunity for a catch up whilst listening to live music, despite the rain a lovely time was had by all.

Ulgham Womens's Institute

Welcome to Ulgham Women's Institute

We meet on the second Monday of the month throughout the year at 7:30pm

We have a varied programme of speakers and demonstrations and a very friendly and welcoming group of ladies.
