

ULGHAM VILLAGE ASSOCIATION

January 2023

Happy New Year!

HAPPY NEW YEAR everyone!

**May it be a prosperous one
for you, however you may
want to prosper!**

This is a temporary
newsletter to give you
information about events in
January and forthcoming
events in February.

Please refer to December 's
newsletter to remind you of
the regular meetings and the
general information which is
highlighted every month.

The Newsletter last year was a
trial (in more ways than one!)
and we are grateful to Deb
Wilson for constructing it and all
those who contributed.

We will discuss the style, cost
and labour of the newsletter at
the UVA AGM on Tuesday 24th
January, 7pm at Ulgham WI
Hall. ****Please note the change of
