Dear Resident, would you join in a fun village weekend? - **A Scarecrow Stroll**

The idea is to display a scarecrow person or sculpture in your front garden. Folk can stroll around the village and admire your creations - No specific theme, just do your own thing ! We have held this kind of event in the past years and thought it might be fun to hold one this year.

It would be over the August Bank Holiday weekend, 26th, 27th and 28th, which gives you plenty of time to produce your exhibit. Please let Pauline know by the end of June if you are willing to participate.

For more details, contact Pauline Martin Tel: 790721 Email: pmartin0553@gmail.com

Neighbourhood Watch

Following a recent incident in our village, our local police liaison officer offered the following advice - "Please encourage residents to report so that they can be given crime prevention and safeguarding advice via 101.

Generally advise residents not to engage with door to door traders. Never let them into their property and ask them to leave. Keep their doors locked and call Police if the parties will not leave.

All residents should be encouraged to report incidents to the Police control room to ensure the incident can be risk assessed and resources allocated if appropriate based on the circumstances."
