

Ulgham Newsletter May 2023

Please see over for details of our village celebrations to commemorate the historic event of the Coronation of King Charles III

To review our local planning applications you can access Northumberland County Planning using the link below, just enter Ulgham in the keyword search box:
<https://publicaccess.northumberland.gov.uk/online-applications/search.do?action=simple>
A current application that may be of interest for those that regularly use Ulgham Lane is:

23/01214/VARYCO | Removal of condition 3(Footpath 1 (HDM)) and 4(Footpath 2 (HDM)) on approved application 21/04875/FUL. | Land North Of Southcroft Stables The Croft Ulgham Northumberland

Other Updates:

Film on Tuesday 9th May - Film night - 'Is Anybody There' starring Michael Cain, Leslie Philips, Anne - Marie Duff and Sylvia Syms.

'Ten year old Edward lives in his family run retirement home. While his mother struggles to keep the family business afloat and his father copes with the onset of a mid-life crisis, Edward leads an increasingly only existence until he meets Clarence, a retired magician and grieving widower who refuses to give in gracefully to old age. The two strike up an unlikely friendship that helps them both to remember what magic is possible when life is lived to it's fullest.'

Gardening Club - We are now into our summer visits in May June and July and have not yet planned any dates. Please get in touch using the information sheet if you would like to know when and where we are visiting.

The Northumberland Rivers Trust has received funding to actively treat invasive plants along our streams and rivers this summer and autumn and are particularly keen to tackle: Giant Hogweed, Japanese Knotweed, Skunk Cabbage and Himalayan Balsam.

Should anyone whilst walking in the meadows think they have noticed any of these species can you please forward details of location to David Parkin, email: dparkin@btinternet.com. Photographs can be found below for reference, they are in order as detailed above.
