Speed Gun Training

The Parish Council would like to ask for volunteers to undertake community speed watch training with our local police service. If you are interested in applying, please let Deb Wilson know who will be able to advise on the process.

Meadows and Woodland

Thanks to the volunteers who turned out to shift gravel so that a major repair to the north bank path could be done quickly without closing the path. Improvements continue to be made at that site and moving west. There are a number of ways you can help:-

- Volunteers meet every Tuesday morning at 10 undertaking routine maintenance. Turn up bring your secateurs, or a spade or bucket.
- You can volunteer to be called out for one off jobs that require short term intervention by as many people as possible.
- The next big job is to work on the Jubilee Oak Clearing, Strimmers or tree loppers so that we can open the area up.
- Also people who can survey various groups of wildlife particularly plants, trees or insects
