The Ball's Still in Your Court... By Julie Crocker (Ulgham resident)

After the recent Parish Council meeting in October it was agreed that Ulgham Tennis Court will hibernate over the winter and new discussions will restart in spring. It will be a great time to think about our assets within the village with the feeling of growth and renewal in the air! With that in mind we'll be carrying out a survey (not quite as extensive as The Forge Pub survey but on a similar vein) early next year and if there's enough interest the project is most likely to be a refurbishment one. We can then look at volunteering opportunities to help renew the site and later pursue local schools, a potential coach and Active Northumberland. In the meantime, I would just like to give a big thank you to the local residents who are already supporting this project and we look forward to getting more feedback in the spring.
