

Ulgham Newsletter December 2023

A Very Big Thank you to everyone who helped on the 5th/6th November enabling the Ulgham Firework night to go ahead. A special Thank you to all soup makers! Wow! Great support from good humoured and generous people who came to the show. We were souped and sweetied out - so sorry to those who came after 6.20pm.

The money made goes to next year's event, probably more fireworks! Also, for Parish social events and projects next year. As there was such an amazing turnout, we will donate to Children in Need this year. We greatly appreciate the cooperation of the Cricket club and the use of the Pavilion. Also, we must mention the generosity of Morrisons who contributed the bread buns, Brian at Nature's Finest Fruits HG for a great deal on the soup ingredients and Gary at Party Capital for a great selection of fireworks!

The warmth, light and excitement of a community celebration is always tremendous!

Woodlands and Meadows

The sign at the bottom car park which had to be fished out of the river after the summer vandalism having been refurbished and stoutly mounted, is back in position. We have started the work on the Jubilee Oak clearing although this is likely to be slow going as the Blackthorn is quite dense in patches.

Unfortunately, the heavy rains have finally defeated our drainage work in a couple of places and overwhelmed the size of pipes we used so we will require some surface drainage to prevent this reoccurring. Anyone wishing to help with either of these tasks please get in touch with David Parkin dparkin@btinternet.com

The Forge as a Community Asset

Ulgham Community Benefit Society (UCBS) have continued to progress and wish to thank all those who have volunteered offering a wide range of skills and experience to the team.

The website is now live <https://the-forge-at-ulgham.co.uk/>. There is a Facebook page, search 'The Forge at Ulgham', and an Instagram page will be available soon. The community share sale has been advertised and is now well underway, opened 13th November and will run until 31st December 2023. Hoping to organise our first fund raising event in the New Year. Any questions email UlghamCBS@gmail.com
